### A PROJECT OF CASIP

The Employer Services Network is a project of CASIP (Consortium of Agencies Serving Internationally-Trained Persons). CASIP is a consortium of independent, community-based agencies and colleges that have been collaborating since 1998 to drive innovation, advocacy and excellence in employment services for skilled immigrants and employers in the Greater Toronto Area. The Employer Services Network is funded by Citizenship and Immigration Canada.

Members agencies are: ACCES Employment, Collège Boréal, COSTI Immigrant Services, Humber College, Job Skills, JobStart, JVS Toronto, Community Microskills Development Centre, Seneca College, Skills for Change, WoodGreen Community Services.

## WHAT IS THE EMPLOYER SERVICES NETWORK?

The Employer Services Network (ESN) is your **single point of contact** to access expert HR resources across our network of 11 member organizations. Because the ESN is funded by Citizenship and Immigration Canada, there is no cost to you.

## WHY SHOULD YOU USE ESN?

- Less work for you! Take advantage of our professional suite of HR services
- Gain streamlined access to pre-screened candidates, with validated credentials and **job-ready** training
- Attend invitation-only recruitment and networking events
- Get connected to low or no cost training programs to enhance the skills of your new hire

## HOW DOES THE ESN WORK?

If you are an employer looking to source exceptional talent, give us a call to find out how the ESN can help you – it will only take a few minutes!

Once we learn your needs, we will match you with your very own professional Job Developer—the HR expert who works with you to match the right candidate to the right position.

## WHAT CAN A JOB DEVELOPER DO FOR YOU?

Your personal Job Developer will help you with all your recruitment needs. You receive these services and benefits:

- ✓ Free job posting services advertised across 11 member organizations
- ✓ Access to pre-screened, job-ready candidates
- ✓ Recruitment and networking events tailored to your needs
- ✓ Mentorship, internship and training opportunities at no or low cost
- ✓ Integration and retention support to help you and ESN candidates succeed!

As part of our suite of services, your Job Developer is available to support your success after the job is filled! Our goal is to create long-term, working relationships with employers!
